Family Owned

It is your right, and our desire, that you have as complete an understanding as possible regarding our services. Our services are available 24 hours every day of the year. Many phases of our work are apparent; others are not. Our services must conform to each individual family's wishes and their personal religious needs. We invite you to discuss, freely and frankly, with us, questions you may have about any and all aspects of the funeral; including our services and our fees. We feel we can serve you best when such a service is based on a mutual understanding between us and those families we serve. This understanding should prevail during the arrangements for the funeral and until all the needs and desires of the family have been fulfilled.

The O'Brien Family
