Family-Owned and Operated **“Our Family Serving Yours”**

At Brown's Funeral Service, we are dedicated to providing the highest level of care, professionalism, and service to every family we serve. With locations in Atoka, Coalgate, Durant, and Madill, our experienced staff, facilities, vehicles, and equipment allow us to assist families whenever and wherever they need us most.

We are equipped to arrange and direct virtually any type of funeral, memorial, graveside, or cremation service at any time and at any location, whether at one of our modern facilities, a church, cemetery, or another place that holds special meaning to your family. With staff and resources available across our locations, we have the flexibility to coordinate services throughout the communities we serve.

Brown's is proud to provide many of the services families need directly through our own staff and equipment. Our own crematory, located at our Durant facility, allows your loved one to remain in our care throughout the cremation process. When needed, we are also equipped to provide cemetery services, including cemetery setup, tents, chairs, lowering equipment, and grave-opening equipment in cemeteries where those services are not otherwise provided. We can also assist families with monument arrangements, allowing us to remain involved from the initial arrangements through the final placement of a memorial.

Our fleet provides families with several options for creating a personal and meaningful tribute, including modern traditional hearses and limousines, our 1932 Prinzing replica hearse and limousine set, motorcycle hearse, horse-drawn hearse, and other service vehicles available throughout our locations.

From the first call through the final service, our family stands beside yours, providing the staff, facilities, equipment, and support necessary to ensure every detail is handled with care, dignity, and professionalism.

This packet includes our General Price List, Casket Price List, Outer Burial Container Price List, and Cremation Service Options. Contact any Brown's location at any time to speak with a funeral director.

Our fee for the basic services of funeral director and staff includes, but is not limited to, response to initial request for service; arrangement conference with family and responsible parties; arrangement of funeral; preparation and filing of necessary authorizations and permits; recording vital statistics; preparation and placement of necessary notices; and coordination with those providing other portions of the funeral, e.g., cemetery, crematory, vault companies and others as required. Also included in this charge are overhead expenses related to our facilities such as professional licensing, legal and accounting fees, insurance, building and utility expenses, maintenance, taxes, equipment, furnishings, inventory costs, record keeping, and secretarial and administrative expenses. This fee for our basic services and overhead will be added to the total cost of the funeral arrangements you select. Embalming \$990.00

Except in certain special cases, embalming is not required by law. Embalming may be necessary, however, if you select certain funeral arrangements, such as a funeral with viewing. If you do not want embalming, you usually have the right to choose an arrangement that does not require you to pay for it, such as direct cremation or immediate burial. It is our policy to require embalming where funerals are selected which involve public viewing of the deceased, and not to hold anybody for a period of more than twenty-four hours without embalming or refrigeration.
