Payment Policy

Our funeral home is a small business and like many others in our community, out of necessity, we operate on a cash basis, relying upon the families we serve for prompt payment. We do not have sufficient financial resources to extend credit over a period of months or years, nor does law allow us to fulfill the functions of a bank or other lending institution. Therefore, payment is expected 24 Hours prior to the rendering of Service. If payment in full is not completed at time designated, services will be postponed and rescheduled once complete payment has been made.

We encourage your frank discussion of these matters with your funeral director, and we will attempt to assist you in any way possible.

Payment Options

- Payment with cash or check.
- Payment with an approved Credit Card.
- Pre-paid funeral arrangements with Foothill Funeral & Cremation, subject to verification the policy is valid.
- Assignment of Insurance Proceeds (Financed by American Funeral Financial). Assignment of non-contestable insurance policies can be financed through certain institutions as long as a known cause of death is listed on the Death Certificate. The Financing Company usually charges a fee of up to 5% of amount assigned. As an accommodation to the family, the Financing Company will make the funeral/cemetery expense payment directly to the mortuary usually within 7 to 10 working days after all information is verified and received.

** Due to the complexity and time involved, we are unable to accept payment from estates.*
