Payment

To lose someone you love can be a devastating experience. It is quite often traumatic and can seriously impact judgement. We believe in the importance of honouring and remembering the life that has been lived and will do our best to meet your needs at this difficult time with kindness, caring and respect for the family and the loved one who has passed on.

Funerals can be costly, and we want to make sure that we can be of assistance to suit any budget. We do not want a family to spend more than they would like or can afford. In some cases, your loved one may be eligible for social assistance to help pay for funeral and burial/cremation costs. Please inquire for more information.

Payment is due at the time of signing the contract; however, we are flexible and will work with you to suit your budget.

Payment can be made by cash, cheque, Debit Card, VISA, Mastercard, American Express or e-transfer.

Prepayment

We offer one (1) funding option when prearranging services and supplies. When prepaying, you pay for the services and supplies today and the money will be used for services and supplies when they are needed at the time of death. Monies paid are not deposited into the Circle of Life account, they are held by an Insurance Company, where they will accrue interest until they are needed. At that time, funds will be released to Circle of Life.

Pre-arranged services can be paid by cheque, VISA, or Mastercard.

Additional information about payment and funding options is available upon request.
