A Full Traditional Funeral

A traditional funeral service offered by Sanders Funeral Home includes basic services of funeral director and staff, embalming, cosmetology, dressing and casketing of remains, use of facilities and staff for viewing (up to two days), use of facilities and/or equipment and staff for funeral service at our funeral home or at other local facility, transfer of remains to our funeral home, the funeral hearse, one limousine and service utility vehicle.

The goods and services shown below are those we can provide to our customers. You may choose only the items you desire. However, any funeral arrangements you select will include a charge for our basic services and overhead. If legal or other requirements mean you must buy any items you did not specifically ask for, we will explain the reason in writing on the statement we provide describing the funeral goods and services you selected.

Basic Services of Funeral Director and Staff

***\$2,770.00**

Our services include: conducting the arrangement conference; planning the funeral; consulting with the family and clergy; shelter of remains; preparing and filing of necessary notices; obtaining necessary authorizations and permits; coordinating with the cemetery, crematory, or other third parties. In addition, this fee includes a proportionate share of our basic overhead costs. This fee for our basic services and overhead will be added to the cost of the funeral arrangements you select. (This fee is already included in our charges for direct cremations, immediate burials and forwarding or receiving remains.)

Embalming

***\$ 795.00**

Except in certain special cases, embalming is not required by law. Embalming may be necessary, however, if you select certain funeral arrangements, such as a funeral with viewing. If you do not want embalming, you usually have the right to choose an arrangement that does not require you to pay for it, such as direct cremation or immediate burial.
