

Basic Services for Funeral Director and Staff \$3195

Our charge includes funeral counseling, necessary arrangements, recording vital statistics, securing permits, filing and obtaining death certificates and claims, preparation of necessary notices, and coordination of services plans with parties involved with the final disposition of the deceased. This fee for our basic services and overhead will be added to the total cost of the funeral arrangements you select. *(This fee is already included in our charges for direct cremation, immediate burials and forwarding of remains or receiving of remains.)*

Embalming \$640
Except in certain special cases, embalming is not required by law. Embalming may be necessary, however, if you select certain funeral arrangements, such as a funeral with viewing. If you do not want embalming, you usually have the right to choose an arrangement that does not require you to pay it, such as a direct cremation or immediate burial.
