TO THOSE WE ARE PRIVILEGED TO SERVE:

It is our goal to make sure that your family is served with the utmost of care, compassion, and professionalism. We want to provide your family with the knowledge and understanding to make the best decisions for your loved one's services. Please feel free to address any questions or concerns that you may have regarding the costs or services. We are here to ease your mind and to assure you and your family of the services that you deserve.

Prior to drafting any contract for goods and services, the responsible party or the decedent's survivor who is handling the funeral arrangements is entitled to receive a copy of any preneed agreement in the possession of the funeral establishment that has been signed and paid for, in full or in part, by or on behalf of the decedent.

Please note that there may be charges for items selected by you that are not described in this price list.

The goods and services shown below are those we can provide to our customers. You may choose only the items you desire. However, any funeral arrangements you select will include a charge for our basic services and overhead. If legal or other requirements mean you must buy any item you did not specifically ask for, we will explain the reason in writing on the statement we provide describing the funeral goods and services you selected.

- **Basic Services of Funeral Director and Staff** \$995

This fee for our basic services and overhead will be added to the total cost of the funeral arrangements you select. This fee is already included in our charges for direct cremation, cremation with memorial service, immediate burial and forwarding or receiving remains.

There will be a charge for each service requested or required.

- **Embalming** \$695

Except in certain special cases, embalming is not required by law. Embalming may be necessary, if you select certain funeral arrangements, such as a funeral with viewing.
