CHOICES RELATED TO PAYMENT

To lose your loved one is a difficult experience. Here at Cook, it is important for us to help you with choices, in respect to both wishes and budget.

We believe in the recognition and meaningful celebration of a life that has been lived and will assist in creating the appropriate service to meet your needs. We accept the following methods of payment:

- Third Party Monthly Payment Plan. This is often a personal loan from a local bank, paid to the funeral home. Prior to the scheduling of any services or publishing service times, we must receive notification of approval the day before the service.
- Pre-arrangement funds deposited with the funeral home.
- Major credit cards - Visa, Mastercard, Discover and American Express processed the day prior to the service or disposition.
- Cash or Check - cash or check (personal or cashier) the day prior to the service or disposition.
- Insurance Assignment – Fees will apply from a third-party insurance processing company. Policy must be verified prior to the scheduling of any services or publishing service times. This process may take one to two business days.

Estates

Our funeral home policy does not include arrangements with the estate of a deceased person but rather the purchaser of the funeral. In cases where the deceased's estate must bear the burden of paying the funeral expenses, we ask that family representatives and/or legal representatives pay the funeral expenses in full and file claim for reimbursement with the deceased's estate.
