Disbursements

Disbursements are items arranged for and possibly paid for on your behalf by us. You are expected to pay for these items at the time the contract is entered. The following are some items that are often identified as disbursements.

Coroner's fee – this is a fee charged by the coroner for issuing a certificate that allows cremation to take place. The fee is set by the Chief Coroner for Ontario.

Newspaper or radio notices – these are charges for death notices placed in newspapers or radio or other media outlets.

Cemetery Expenses – this is an amount paid to cemeteries for new purchases and the cost to open and close a grave.

We are proud to offer various payment, funding and financing options to our clients for prepayment only.

Payment

Unless otherwise specified, payment is due upon signing contract. Payment may be made by cash, cheque, debit, and most major credit cards. Beyond the allotted time, interest will be charged at a rate of 1.5 %, compounded monthly, which is equivalent to 19.56 % per annum (APR). **Each situation is different, and we will work with you to help make your wishes affordable. Payment plans may be available for special circumstances only. **Caring Cremation Centre reserves the right to change or alter payment policies. ****

Payment plans for pre-arrangements are also available to meet most budgets. Financing charges may apply to payment plans. If you are pre-paying for services or supplies, pre-authorized chequing is also available.

Financing (for pre-arrangements)

Our payment plans give you the option of making payments over time. We offer a competitive financing program.

Funding

For your convenience, we offer two funding options when prepaying services or supplies. When prepaying, you pay for the services and supplies today and the money will be used to pay for the services and supplies when they are delivered at the time of death.

Trust: You may pay the money directly to us and we will place it in trust, where it will accrue interest until the contract is fulfilled (when the services and supplies are delivered) or the contract is cancelled. **Insurance:** You may purchase an insurance contract where the proceeds of the insurance contract will be used to pay for the services or supplies at the time they are delivered or the contract is cancelled.

Additional information is available upon request.
