West Cobb
FUNERAL HOME & CREMATORY

“From beginning to end they were attentive to every need and detail for my dad’s service. They take care of everything and I wasn’t burdened with any small details. They are so kind and compassionate. I would highly recommend.”

“My father’s service was absolutely outstanding. The staff there made everything so easy, we didn’t have to worry about a thing. I can’t say enough nice things about them. From making the memorial service arrangements, to the pictures we wanted to share during the service, to the refreshments we served after the service, they were there for us every step of the way.

- Allison B.

“West Cobb Funeral Home is the best.... They are friendly, respectful and courteous and make a very stressful time better. Chris & David the owner treat you as family and truly care. I can say that I highly recommend them to help you with your family arrangements.”

- Reid G.

“I could never say enough good things about my experience with West Cobb Funeral Home. They took care of every detail with great care. There are few things more devastating in life than losing a parent, but was such a relief to know that our Dad’s arrangements were in good hands. Chris went above and beyond to serve our family - taking care of things we had not enough thought of. You hate to say “you’ll be back” but I cannot recommend this place highly enough in the loss of a loved one.

- Dawn C.

We have a duty to grow with our community by listening, learning, investing, educating and guiding families through loss.

That is our Community Commitment.

Listening to what our community expects and needs from a funeral home.

Learning about our families and how to best honor and celebrate the life of their loved one.

Investing in our facility to provide a truly comfortable, familiar, healing environment.

Educating about ceremony, cremation, memorials, service, burial and funeral options.

Guiding the families of Cobb and surrounding counties through loss, providing options to meet any financial situation.

We believe that all grieving and pre-planning families deserve guidance, **genuine care** and options. We will explore options and ideas that go beyond traditional thinking, making final good-byes memorable, reverent and affordable.

We want healing to begin here.

We believe an important part of life is doing meaningful work. We take pride in being the caring professionals that our community relies on at their time of need.

Community Committed

Chris Messina, F.D., C.C.O.
General Manager

We opened our doors on October 10, 1995, and since that very day, we have vowed to be attentive and grow with the needs of our community. Upon realizing that there was a need for a local crematory, we established our on-site cremation center. With that expansion, all of your cremation services began to be handled and managed by our trained staff. To our families, this means your loved one never leaves our care.

The expansion of our parking area, our tranquil outdoor pavilion with fire place, our large chapel, and our user friendly website with transparent pricing are all direct responses to the needs of the families we serve.

We want families to be able to focus on celebrating the life of their loved ones and to begin the healing process as soon as possible. It is our top priority to relieve the family of as many of the duties associated with making memorial or funeral arrangements as possible.

PRESENT

To Every Family That We Serve

One of the most important responsibilities that we have to each family we serve is to bring your emotional and financial needs together, whatever the situation may be. As part of our consultation with your family, we will discuss the different options we offer to help you with the funeral expenses. Our goal is to ensure that the services and merchandise you choose will fit into your financial situation.

Payment arrangements must be discussed and made during the final arrangement conference. Payment for all services, merchandise and cash advances are due in full by the day the funeral services are rendered.

ACCEPTABLE METHODS OF PAYMENT ARE AS FOLLOWS:

Option 1: _____ Pre-Arranged

Option 2: _____ Cash or Check

Option 3: _____ Credit Card (Master Card, Visa or Discover)

Option 4: _____ Life Insurance Assignment *Express Funeral Funding, LLC

THE USE OF AN INSURANCE ASSIGNMENT IS AT MANAGEMENT'S DISCRETION.

Life Insurance Policies are funded and advanced through Express Funeral Funding, LLC. In most cases this can allow the funeral home and the beneficiary to receive insurance proceeds within 48 hours from completion of the claim, subject to approval. The assignment fee is 3% added to the total assigned amount of the funeral contract.

Note *Insurance Assignments require the following criteria:

- ⦿ Original Insurance Policy
- ⦿ Verification of the Beneficiary
- ⦿ Verification that the policy is in force
- ⦿ Verification that the policy is not contestable
- ⦿ Verification that the policy is assignable to the funeral home
- ⦿ Verification that there are enough funds to cover the funeral expenses

Insurance assignments may be acceptable if this criteria is met. If the certified death certificate is delayed for any reason, other payment options presented must be in place. Your funeral director will discuss this in detail with you.

ESTATE PAYMENT POLICY

It is the policy of the funeral home not to wait for and accept payment for funeral expenses from the settlement of an estate.

FEMA

COVID-19
Funeral Assistance Line

FEMA COVID-19 Funeral Assistance

Under the Coronavirus Response and Relief Supplemental Appropriations Act of 2021 and the American Rescue Plan Act of 2021, Congress authorized FEMA to provide financial assistance to individuals who incurred COVID-19-related funeral expenses after January 20, 2020. On March 24, FEMA has issued its final policy - which includes details such as eligibility and documentation criteria and the application process - for how funds will be distributed to families. Most notably, FEMA shared that the maximum financial assistance will now be \$9,000 per funeral.

FEMA asks for patience so they can give each caller the care and attention they deserve. FEMA will only award COVID-19 Funeral Assistance for a deceased individual on a single application. If multiple individuals contributed toward funeral expenses, they should register under a single application as applicant and co-applicant. The applicant or co-applicant must have incurred the funeral expenses. The deceased individual's documentation status is not considered as part of the reimbursement process, but the applicant(s) must be U.S. citizens, legal residents, asylees, refugees, or non-citizen nationals. Families should begin deciding who the applicant and any co-applicants will be and gather the documents they need to be reimbursed for expenses.

Specifically, the applicant must provide the following documents:

- **A copy of the death certificate.** The death certificate must indicate the death "may have been caused by" or "was likely a result of" COVID-19 or COVID-19-like symptoms. Similar phrases that indicate a high likelihood of COVID-19 are also considered sufficient.
- **Proof of funeral expenses incurred.** Documentation (e.g., receipts, funeral home contract, etc.) must include the applicant's name as the responsible person for the expense, the decedent's name, the amount of funeral expenses, and that funeral expenses were incurred after January 20, 2020.

Eligible funeral expenses include but are not limited to:

- Transportation for up to two individuals to identify the deceased individual
- Transfer of remains
- Casket or urn
- Burial plot or cremation niche
- Marker or headstone
- Clergy or officiant services
- Arrangement of the funeral ceremony
- Use of funeral home equipment or staff
- Cremation or interment costs
- Costs associated with producing and certifying multiple death certificates
- Additional expenses mandated by any applicable local or state government laws or ordinances

If applicants already received reimbursement for certain funeral expenses through government agencies, voluntary agencies, non-profits, burial or funeral insurance, they cannot resubmit those same expenses for reimbursement through this FEMA-administered program. If they received any outside assistance, they must include documentation of this assistance in their application. If they received financial assistance through the deceased's life insurance policy, they may still apply for reimbursement.

At West Cobb Funeral Home & Crematory, we remain committed to the health and safety of the families we serve, our employees, and our community. We want to assure you that we continue to take proactive measures to help prevent the spread of any potential illness. We are monitoring the situation closely by following local, state and national guidelines. The Centers for Disease Control & Prevention (CDC) recently issued the following guidance to funeral service:

- Face Coverings are RECOMMENDED at all visitations and services, and Social Distancing is encouraged at all times.
- We want to reassure you that we'll continue to maintain our high health standards. We are committed to serving all families and we have asked any employee running a fever or having flu-like symptoms to stay home.
- Also, absolutely no food or drinks will be allowed at gatherings here at the funeral home during this health crisis.

The staff here made a difficult experience a little easier. They were patient with us, soft spoken and literally did everything for us. Small things that normally you wouldn't think of in times of loss, they are there to help. They even came to the hospice facility my father was at to sit down and talk with us. Other funeral homes could truly take some lessons from West Cobb.

SOCIAL SECURITY BENEFITS

If the deceased was receiving Social Security benefits, you must return the benefit received for the month of death or any later months. For example, if the person dies in July, you must return the benefit paid in August. If benefits were paid by direct deposit, contact the bank or other financial institution. Request that any funds received for the month of death or later be returned to Social Security. If the benefits were paid by check, do not cash any checks received for the month in which the person dies or later. Return the checks to Social Security as soon as possible. However, eligible family members may be able to receive death benefits for the month in which the beneficiary died.

Any individual who has paid into Social Security for at least 40 quarters is eligible for Social Security benefits; either Survivor's benefits or Death benefits. Individuals who are eligible for monthly survivor's benefits are:

- Surviving spouses who are 60 or older.
- Disabled surviving spouses that are 50 or older.

- Surviving divorced spouses, if the marriage lasted more than ten years and/or the divorced spouse is caring for an entitled child who is under age 16 or disabled.
- Disabled, surviving children must have been disabled before age 22; eligible for as long as disabled.

In addition to the monthly benefits outlined above, Social Security pays one person a one-time Lump-Sum Death Payment (LSDP) of \$255. The payment is made in the following priority order: A surviving spouse who lived in the same household as the deceased at the time of death

- A surviving spouse who is eligible for benefits in the month of death
- A surviving child who is eligible for benefits in the month of death.

A Social Security representative can tell you what benefits may be payable.

You can apply for benefits several ways:

Etiquette of Acknowledgments

Thank you for all your kindness and for the beautiful flowers that expressed your sympathy in our recent sorrow.

Your help in the time of our need was a great comfort to us. Thank you for your unfailing sympathy and kind assistance.

Our sorrow is easier to bear with the help of friends like you. We want you to know how much we appreciate all that you have done for us in our recent bereavement. Your lovely flowers and accompanying message expressed an affection and understanding, which we will always cherish. Thank you for all your kindness.

Our sorrow in the loss of our dear (Father, Mother, Sister, Brother, etc.) is somewhat easier to bear because of your kindness. Your sympathy at this time is truly appreciated and a source of comfort to us.

The memory of your kindness will always remain with us. Thank you!

Within a reasonable time after the service, (seven days to two weeks) it is appropriate to send "Thank You" cards to show your appreciation for flowers, food, memorial donations and other acts of kindness and support family, friends, clergy, co-workers, church members and neighbors have done.

The cards may have brief, handwritten notes and should be signed by a family member. A personal note of appreciation can be very meaningful at this time. Don't hesitate to express yourself openly and sincerely. It is more meaningful to have a family member sign it who personally knows the recipient. A list of suggested short messages you can write are outlined to the right.

If flowers were sent from a group of friends or co-workers, you can send a note of thanks to each member of the group; however, a single note of thanks to the group listing all the names is also acceptable.

You only need to send one card of thanks to an organization that you receive flowers or other condolences from where individual names are not mentioned. Send the thank you card to the leader of the organization.

Remember, it is not necessary to send a thank you card to all those who signed the register book set out during the services.

Vital ICE APP

(In **C**ase of **E**mergency)

West Cobb Funeral Home & Crematory has graciously invested back into the community in order to promote the saving of lives. President and CEO David Roach recognized a very unique opportunity to assist our local first responders through an ingenious marketing initiative that could help save lives.

David and his caring staff ask that you download the Vital ICE (In Case of Emergency) app, from either the Apple App Store or Google Play, for your smart phone and enter in their code: #9234. West Cobb Funeral Home & Crematory is making this potentially life-saving app available for free to download in the community as a way of showing their gratitude for allowing them to serve you. They ask that you please take just a few minutes to download the Vital ICE app and fill in the information so that you are prepared in case of an emergency. This app is available to the entire community, regardless of age, so do not pass up this great life-saving opportunity.

In the event of an emergency, first responders can use the Vital ICE app to retrieve the user's vital information. This information can then be easily taken on the ambulance to the hospital, or sent directly to the hospital from the Vital ICE app, where ER staff can further access this critical information.

Remember, time is of the essence when saving lives!
