## IDENTIFICATION POLICY

This funeral home requires that all human remains be positively identified in the funeral home, or in the family's residence, prior to burial or cremation.

The reason that the positive identification procedure is required is to eliminate the possibility of cremating or burying the wrong individual, in the event that a hospital, nursing home, or other institution incorrectly identifies the deceased.

The identification process also provides an opportunity for a "Private Family Viewing," if desired by family members. The funeral home includes up to one hour for the private family viewing with any service selected.

This funeral home guarantees all services will be handled with dignity and respect.

Prior to the private family viewing, it is our policy to obtain clothing for the deceased as provided by the family.

Your loved one will be dressed as the family deems appropriate and placed in the casket or alternative container selected for burial or cremation.

Identification will take place in an appropriate funeral home viewing/visitation area.

In case of autopsy, or extreme nature of death, embalming may be required at an additional fee.

## Cash Advances

This list does not include prices for certain items you may ask us to buy for you such as cemetery charges, newspaper notices, clergy fees, and music. The prices for those items will be shown on the statement describing the goods and services you selected.

## Payment & Credit Policy

Our firm has established a uniform credit policy to serve all families fairly and to alleviate misunderstandings. A sound credit policy enables us to contain our costs to the families we serve. As a small business providing services and merchandise, we are totally dependent upon our clients for prompt payment. Our general credit policy is that the entire amount of the funeral is due and payable prior to services being rendered. We realize that caring for the death of a loved one is often unexpected and unplanned. For your convenience, we offer 10 payment options : Personal Check; Bank Check; Money Order; Cash; Visa; MasterCard; Discover; American Express; Debit Card; and Prearrangement.

The following are acceptable credit arrangements:

- Assignable Life Insurance: Life insurance may be used as a means of full or partial payment for funeral and other related expenses.
- Credit cards are accepted, but a fee of 2.5% will be added to the total funeral bill.

We will accept settlement of estates through attorneys or probate court as a means of financial arrangements. All unpaid balances after sixty (60) days from the date of service accrue a late fee of 1% per month (12% per year).

## **Special Situations**

As a community service, it is our policy to offer our services and facilities at no cost to infants less than one year of age as well as those in public emergency service who lost their life in the line of duty. Services for children and special groups are offered at a reduced rate. It is our policy that no one be denied a service because of limited financial resources. If you would like to arrange a service and do not have sufficient funds to pay in accordance with the Payment & Credit Policy outlined in our General Price List, we will be pleased to discuss alternative arrangements.

**We are an affiliated provider of the Eastern Pennsylvania Cremation Society and adhere to all of their prices for online, self directed cremations. \$1,975.00**
