No two funerals are the same. Each family we serve has unique and important needs that we strive to satisfy. By working closely with your family we can arrange a funeral ceremony that will express the special, one-of-a-kind relationship that you shared with your loved one and help enrich the memories that you will cherish forever.

As you know, there are 18 churches in Pana, each an expression of a deep spiritual connection. It is our goal to serve families throughout the area, from all faiths. We believe that you will only find this type of dedication from a local, family-owned funeral home. We're pleased and proud to continue our century-year old tradition of compassionate service, from our family, to yours.
