Payment Policy

To lose someone you love is a devastating human experience. Therefore, it is important to be realistic with respect to funeral expenditures. We do not want your choices to be more than is affordable, nor less than you would like. Therefore, in an effort to provide the finest services available, we are dependent upon the families we serve to make specific payment arrangements prior to services and ceremonies. To avoid any possibility of misunderstanding, and in order to provide you with financial flexibility, we offer the following payment options:

Cash • Check • Money Order • Credit/Debit Card • Assignment of verified life insurance
Application of funds from a prearranged burial reserve

When the financially responsible party resides outside of the Commonwealth of Pennsylvania, the funeral home requires payment be made in full by the day prior to the scheduled services.

If the funeral expenses are to be paid from an estate, it is the responsibility of the person or persons signing the statement of funeral goods and services to pay the expenses within thirty days.

If you anticipate a problem, or difficulty in meeting these obligations, please feel free to discuss your situation with your funeral service provider.
