We are proud to offer the only on-site crematory in Solano County.

Family owned and operated since 1935.

SCHEDULE OF FEES/GENERAL PRICE LIST

Prices are effective August 1, 2025 and subject to change without notice.

The goods and services shown on this general price list are those we provide to our client families. Most pricing is offered as a package and no adjustments will be made for items not used. **Package pricing is not offered to those families who purchase a casket or alternative container from an outside source.** Client families may choose only those items desired from our itemized price list. All arrangements selected will include our administrative and professional service charges.

Our administrative and professional service charges include but are not limited to a proportionate share of taxes, licenses, utilities, and business expenses required to serve the public. It also includes family consultation; administrative and clerical services; preparation of the death certificate for certification by the attending physician or coroner; consultation with clergy, cemetery, honor guard and/or common carrier; assistance with life insurance claims; placement of obituary notices; and notification to Social Security and/or Office of Personnel Management.

We offer a variety of styles and prices of caskets, alternative containers, and urns. A complete price list will be provided upon request. A casket or alternative container and urn is to be purchased or provided by the family.

For health and sanitation reasons, we require either refrigeration or embalming within 24 hours of possession of the remains.

Prior to drafting any contract for goods or services, the responsible party or the decedent's survivor who is handling the funeral arrangements is entitled to receive a copy of any preneed agreement in the possession of the funeral establishment that has been signed and paid for, in full or in part, by or on behalf of the decedent.

For more information on funeral, cemetery, and cremation matters, contact the CA Department of Consumer Affairs, cemetery & Funeral Bureau, 1625 N Market Blvd., Suite S-208, Sacramento, CA 95834

CASKETS

Our firm makes no representations or warranties about the protective value of certain caskets other than those made by the manufacturer. The only warranties, expressed or implied, granted are the expressed written warranties, if any, executed by the manufacturer thereof. The seller extends no other warranties and no warranties of merchandising fitness for a particular product.

Some caskets may seem similar in appearance but may differ greatly in quality and construction. A complete casket price list will be provided upon request. We hope the following assists our client families in making an informed decision.

Protective: Designed by the manufacturers to resist the entrance of air, water, & other outside elements. They may be constructed of varying gauges of steel, copper or bronze.

Non-Protective: Not designed by manufacturers to resist the entrance of air, water, and other outside elements. They may be constructed of steel, hardwood or wood products covered with fabric.
