Payment

To lose someone you love can be a devastating experience. It is quite often traumatic and can seriously impact judgement. We believe in the importance of honouring and remembering the life that has been lived and will do our best to meet your needs at this difficult time with kindness, caring and respect for the family and the loved one who has passed on.

Funerals can be costly, and we want to make sure that we can be of assistance to suit any budget. We do not want a family to spend more than they would like, or can afford. In some cases, your loved one may be eligible for social assistance to help pay for funeral and burial/cremation costs. Please inquire for more information.

Payment is due at the time of signing the contract; however, we are flexible and will work with you to suit your budget.

Payment can be made by cash, cheque, Debit Card, VISA, Mastercard, American Express or e-transfer.

Prepayment

We offer one (1) funding option when prearranging services and supplies. When prepaying, you pay for the services and supplies at today's cost, and the money will be used for services and supplies when they are needed at the time of death. Monies paid are not deposited into the Circle of Life account, they are held by Guaranteed Funeral Deposits of Canada/FPC, where they will accrue interest until they are needed. At that time, funds will be released to Circle of Life.

Pre-arranged services can be paid by cheque.

Guarantee: When paid in full in accordance with the payment terms set out in the prepaid contract, the prepaid contract is guaranteed in full. The total payment(s) made plus interest/growth earned will be applied to the future price of services and supplies. If the total payment(s) plus interest/growth earned are insufficient to cover the total future price of the prepaid services and supplies, we will absorb the difference as a loss. Any funds in excess of the total future price of the prepaid services and supplies will be returned or applied toward additional services, supplies and disbursements purchased at the time of need, as applicable. Conditions apply. Any changes to the prepaid contract may result in the prepaid contract being null and void and a new contract being executed with current pricing at the time changes are made.

Additional information about payment and funding options is available upon request.
