With a proud tradition of serving area families since 1909, Chapel of the Chimes Oakland is an architectural gem with great historical significance

# Serving Families Since 1909

Our philosophy is based upon the very roots on which Chapel of the Chimes was established in 1909 — to provide care for those who had passed while bringing peace and comfort to the living.

This philosophy remains today as we provide options to our families. Whether your choice is a simple informal gathering of friends and loved ones, a traditional remembrance ceremony, or permanent memorialization that honors a life for generations to come, we are here to help guide you through the details, memories, and celebration of your loved one.

Whatever your choice may be, our commitment to you is to provide a place at Chapel of the Chimes where you can gather and honor those you love in a setting as unique as the life you choose to remember.

For more than 100 years, we've been right here beside you and we will be here for the next 100 as well. Everyone deserves to have their story told and passed on to those whose lives were touched and changed by that person. We help celebrate lives every day. How may we help you?

*The staff at Chapel of the Chimes is committed to your complete satisfaction.*

*We take pride in the quality of our service and are dedicated to the families and communities we serve.*

*Thank you for allowing us the opportunity to serve your family.*

The goods and services shown in this document are those we can provide to our customers. You may choose only the items you desire. However, any funeral arrangements you select will include a charge for our basic services and overhead. If legal or other requirements require you to purchase items you did not specifically ask for, we will explain the reason in writing on the statement we provide describing the funeral goods and service you selected.

## Package Plan Selections

---

Chapel of the Chimes is pleased to offer **Packaged Selections with both Burial and Cremation options**. These afford you substantial financial savings while offering you ease of selection during a difficult time.

The package plans contain all the goods and services necessary to accomplish commemorations. These range from a visitation and a full traditional funeral in our chapel, your church or at graveside, to our Simple Cremation Plans with gatherings, wakes or other ceremonies. Your funeral director will give you a full description of each to help you determine the appropriate choice that meets your family's needs.

Packages do not include cemetery services or merchandise, state or local sales taxes or cash advance items such as newspaper obituary charges, certified copies of the death certificate, honorariums or any other items you ask us to purchase on your behalf.

## Veterans' Discounts & Services

---

Chapel of the Chimes has a long history of honoring our nation's veterans. In addition to standard package savings, we offer all honorably discharged veterans a 10% discount off any casket, outer burial container, ceremonial unit or cremation casket. In addition to these significant financial savings, we will obtain your government-issued United States flag and coordinate the military funeral honors your loved one has rightfully earned by serving their country. As part of our Signature Services<sup>SM</sup>, veterans' families may also receive a complimentary flag case to display the flag in their home.

# Signature Services

A photograph of a large, modern indoor atrium. In the center, a tall, lush green palm tree stands prominently. Above it is a large, circular skylight with a grid pattern, allowing natural light to filter in. The walls are lined with numerous small, square niches, each containing a small object. The floor is made of light-colored tiles. In the foreground, there is a wooden table with various items on it, including what appears to be a small statue or figurine. The overall atmosphere is bright and open.

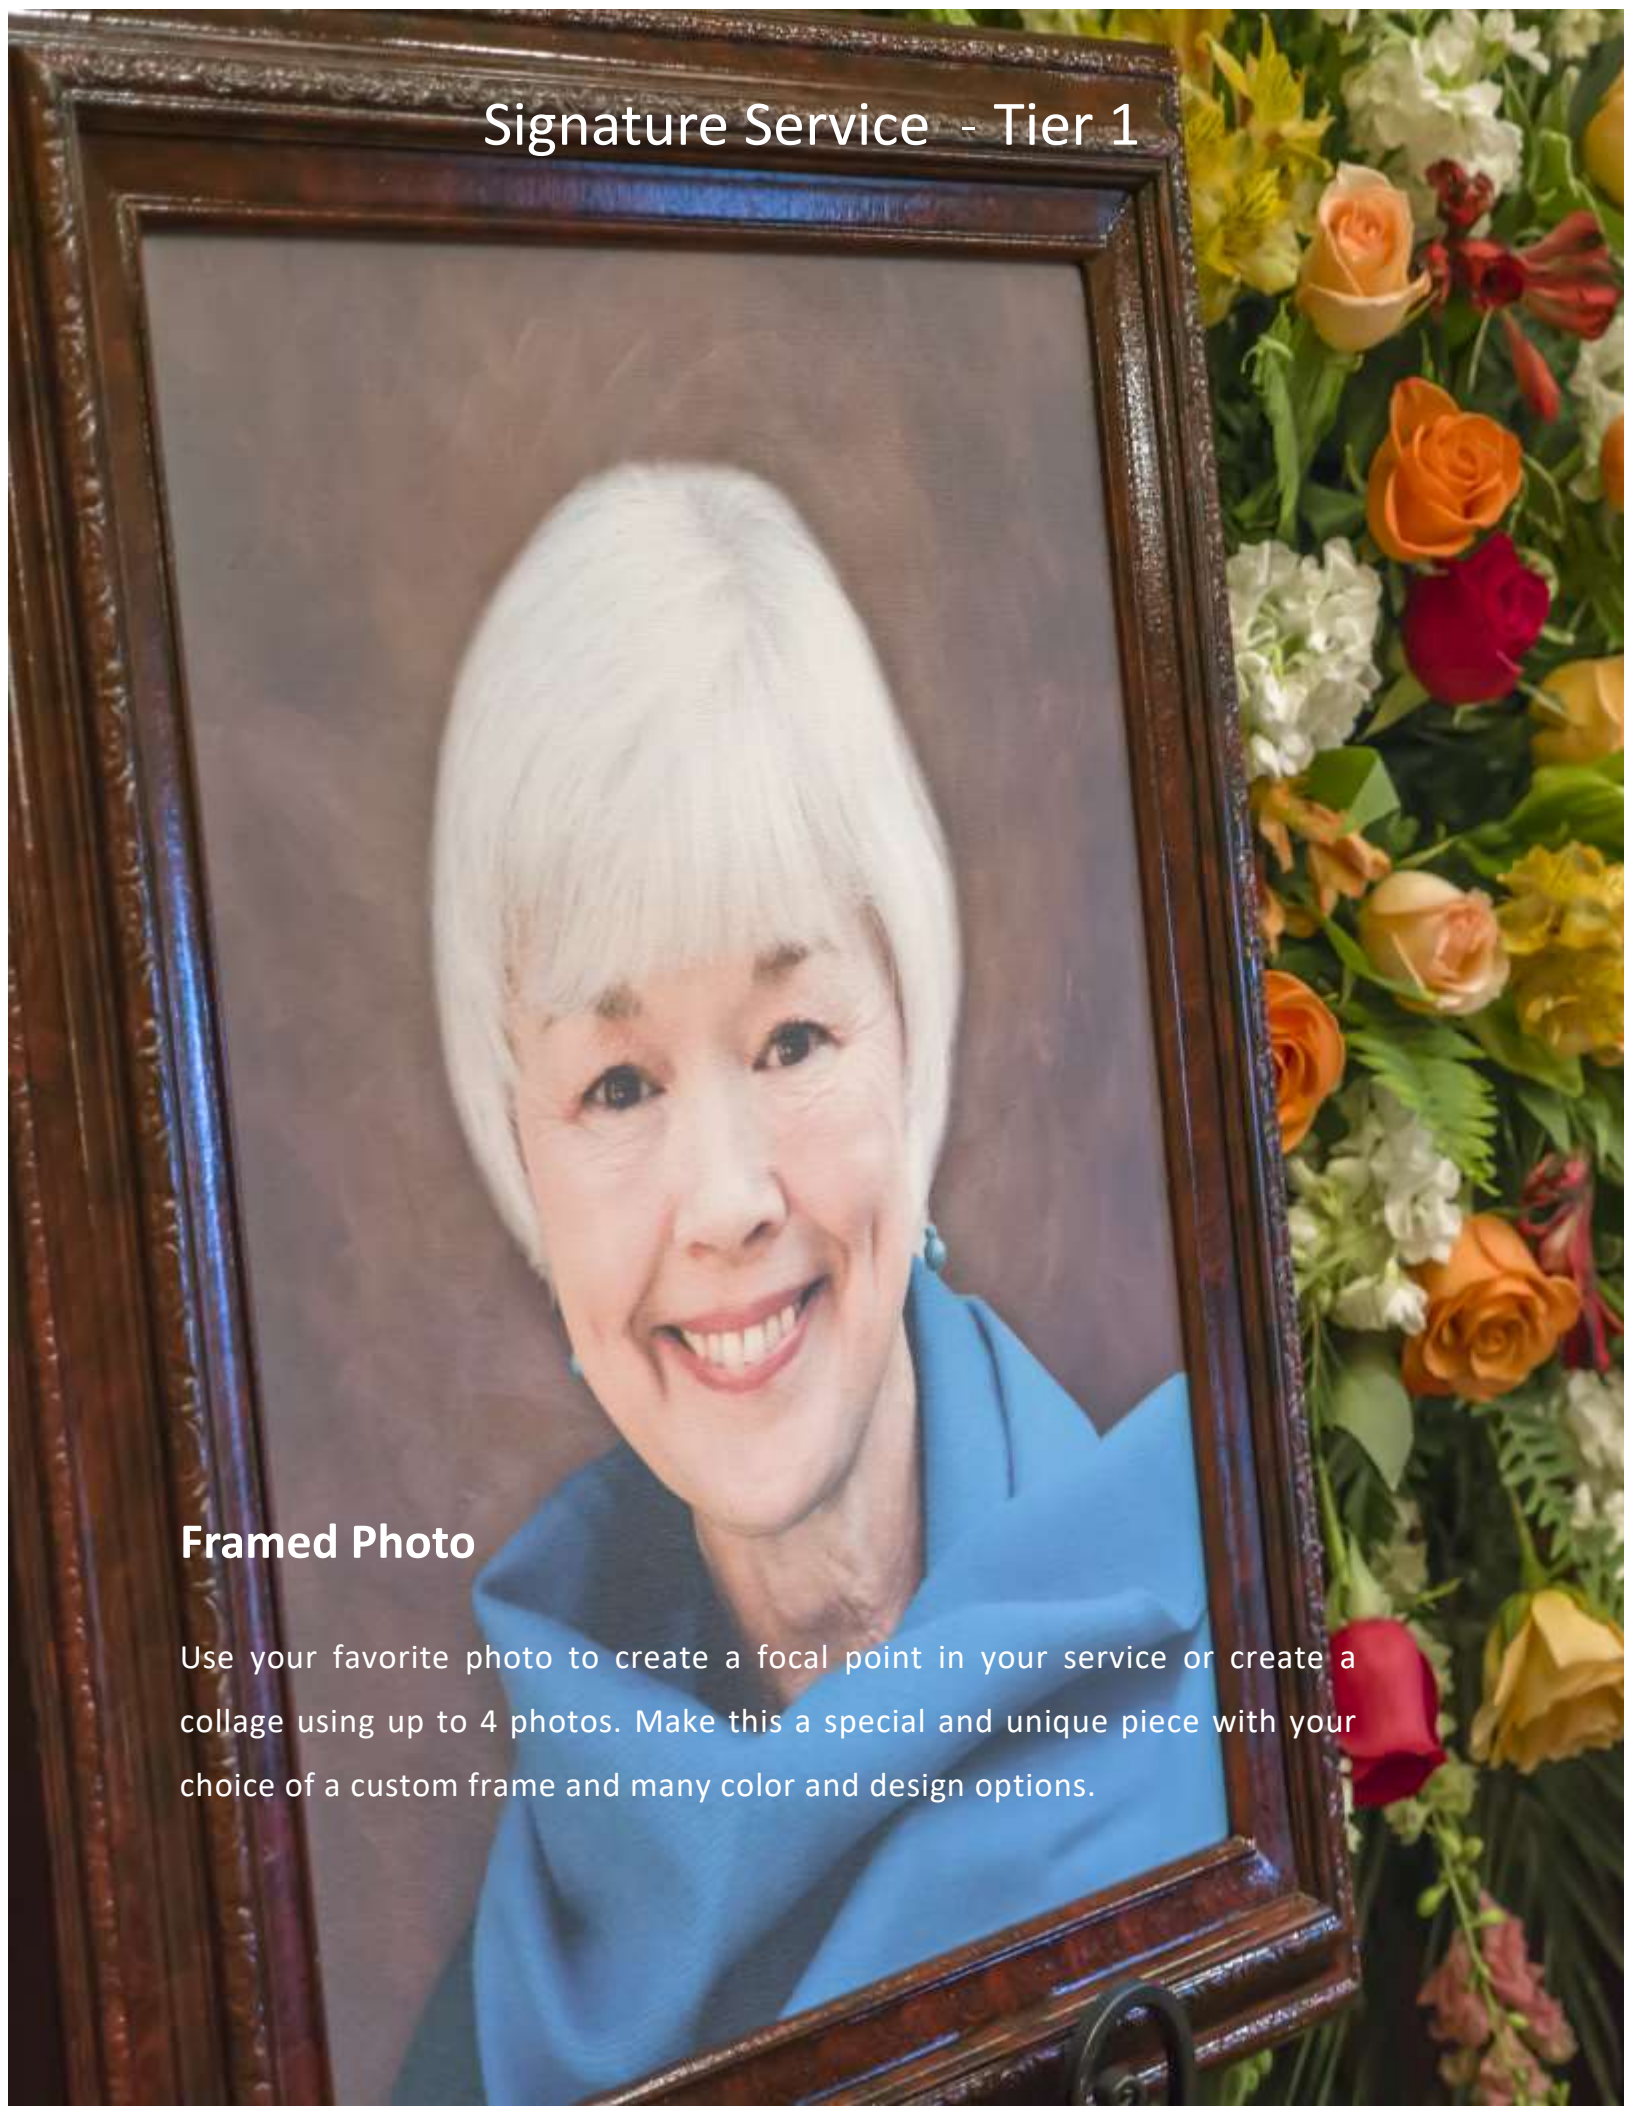

Our gift to you—Signature Services™ are more than an addition to a funeral, they are a personal and meaningful element that brings a special touch to the day's events. From a symbolic release of a white dove to the distant calls of a lone bagpipe, these selections add a powerful feeling that brings everyone together.
