### **Our Payment Policy**

To lose someone you love is a devastating human experience. It is frequently traumatic and can seriously impact judgement. We believe in the importance of the recognition and meaningful celebration of a life that has been lived and will assist in arranging an appropriate service to meet your individual needs. It is also important to be realistic in respect to funeral expenditures. We do not want a family to spend more than they should nor less than they would like. What is important is that the arrangements be in keeping with the family's wishes and budget. Provisions for payment are due at the time of arrangements. To avoid any possibility of misunderstanding or embarrassment and for your convenience we accept the following methods of payment: check, credit card, debit card, insurance assignment of verifiable life insurance, payment by forwarding or receiving funeral home or pre-paid funeral plan. Please feel free to consult with your funeral arranger with any questions or concerns.
