Our Legacy

Clairemont Mortuary has been part of the San Diego community since we opened our doors in 1963 to serve the growing communities in North San Diego.

As a bilingual mortuary with capabilities in both English and Spanish, we've been able to better serve our community and the families who choose us to care for their loved ones. Our close affiliation with Greenwood Memorial Park and Mortuary gives us a full range of experience and industry knowledge to fully care for all families from every walk of life.

Our services are designed to help families find comfort during one of the most personal and challenging stages of their lives. We understand that losing a loved one is an emotional and difficult experience, and we are committed to helping our families with compassionate, professional and personal service.

People come to us during their most difficult times, and we respond with kindness, understanding and expertise. Our goal is to make everyone feel at home as we work with them to create a memorable service in honor of a beautiful life.

Policies

Entitlement

Prior to drafting any contract for goods or services, the responsible party or the decedent's survivor who is handling the funeral arrangements is entitled to receive a copy of any preneed agreement in the possession of the funeral establishment that has been signed and paid for, in full or in part, by or on behalf of the decedent.

Our Payment Policy

To lose someone you love is a devastating human experience. It is frequently traumatic and can seriously impact judgement. We believe in the importance of the recognition and meaningful celebration of a life that has been lived and will assist in arranging an appropriate service to meet your individual needs. It is also important to be realistic in respect to funeral expenditures. We do not want a family to spend more than they should nor less than they would like. What is important is that the arrangements be in **keeping with the family's wishes and budget. Provisions for payment are due at the time of arrangements. To avoid any possibility of misunderstanding or embarrassment and for your convenience we accept the following methods of payment: cash, check, credit card, debit card, insurance assignment of verifiable life insurance, payment by forwarding or receiving funeral home or pre-paid funeral plan.** Please feel free to consult with your funeral arranger with any questions or concerns.
