### **OUR PAYMENT POLICY**

To lose someone you love is a devastating human experience. It is frequently traumatic and can seriously impact judgment. We believe in the importance of the recognition and meaningful celebration of a life that has been lived and will assist in arranging an appropriate service to meet your individual needs. It is also important to be realistic concerning funeral expenditures. We do not want a family to spend more than they should or less than they would like. What is important is that the arrangements be in keeping with the family's wishes and budget. Provisions for payment are due at the time of arrangements. To avoid any possibility of misunderstanding or embarrassment and for your convenience, we accept the following methods of payments: check, credit or debit card, insurance assignments of verifiable life insurance, payment by forwarding or receiving funeral home, or pre-paid funeral plan. Please feel free to consult your funeral director with all questions or concerns.

### **PRE-PLANNING ASSISTANCE**

We provide free assistance with pre-planning. You have the option of locking in today's prices and funding your funeral plan relieving your loved ones from these difficult decisions or simply placing your wishes on file and allowing costs to be paid at the time of need.

# Obituary

## ***Some Preliminary Thoughts When Writing an Obituary***

Customs and traditions for placing and writing an obituary notice may vary depending on your religious affiliation, ethnic background, or even regionally. Below is a general guideline to help you write an obituary. Your Funeral Director will be happy to assist you.

**Paragraph 1-** Give personal information including the full name, age, place and date of birth, place and date of death, etc.

**Paragraph 2-** Write about their former employer(s), military service, memberships, etc. You may also want to share some of their accomplishments or great passions.

**Paragraph 3-** List surviving family and any predeceased relatives.

**Paragraph 4-** Evergreen Mortuary will insert the visitation and service information in this section, including the pertinent information for the officiate.

**In the final paragraph,** mention any charities or memorial funds for which you wish people to make donations. You might also want to mention any people or groups you wish to thank publicly for care given to your loved one. You could also include special poems or prayers in quotations.

# OUTER BURIAL CONTAINER PRICE LIST

## EVERGREEN MORTUARY, CEMETERY AND CREMATORY

### PRICE LIST EFFECTIVE FEBRUARY 12, 2026

In most areas of the country, state or local law does not require that you buy a container to surround the casket in the grave. However, many cemeteries require that you have such a container so that the grave will not sink in. Either a grave liner or a burial vault will satisfy these requirements. Evergreen Cemetery requires an outer burial container.
