Welcome Letter

CARE, COMFORT, AND PLAN

It is a simple fact of life — at some point most of us will be tasked with making plans to mark a beloved friend or family member's passing. While this process can be emotional and sometimes confusing, it is also a great responsibility and honor to decide how your loved one will be memorialized and laid to rest. It is our belief, one we hope you share, that there are few places more serene to spend eternity than within the sacred spaces and natural beauty of Skylawn Funeral Home and Memorial Park.

Not only are our facilities unparalleled, Skylawn has more than 60 years experience caring for the deceased and the families that mourn them. Our attentive staff can help you plan and host a memorial, custom or traditional, as requested to properly honor your loved one. No idea is too out of the box, nor detail too insignificant. And questions? There is truly nothing we haven't been asked before.

Skylawn Funeral Home has a long history of honoring our nation's veterans, law officers, fire-fighters and their spouses. In addition to standard package savings, we provide an American Hero Plan discount.

We hope you'll take full advantage of our services and support throughout this difficult experience. We are here to serve as partners in tackling both the uncomfortable decisions and the creative ones, and we promise to do so on your terms and always with your budget in mind.

Families seek out Skylawn because they know we are leaders in our profession, and that our concern for them is just as substantial as our concern for their deceased loved ones. We welcome you warmly and look forward to serving you with the integrity and sincerity you deserve at the time you need it most.

Kindest regards,

The Skylawn Funeral Team

Professional Services

The goods and services shown below are those we can provide to our customers. You may choose only the items you desire. However, any funeral arrangements you select will include a charge for our Basic Services and overhead. If legal or other requirements mean you must buy items you did not specifically ask for, we will explain the reason in writing on the statement we provide describing the funeral goods and services selected.

BASIC SERVICE OF FUNERAL DIRECTOR AND STAFF **\$3,150**

Our basic services charge includes the service of our funeral directors and staff for initial service request; arrangement conference with the family or responsible party; arrangement of a meaningful and appropriate funeral or memorial ceremony; preparation and filing of necessary authorizations and permits; recording vital statistics; preparation and placement of obituary notices; coordinating service plans with cemetery, crematory and/or other parties involved in the final disposition of the deceased; receiving and arranging flowers; aftercare services; and customary sheltering of deceased. Included in this charge are our overhead, maintenance and utility expenses, equipment, and inventory expenses. This fee for our basic services and overhead will be added to the total cost of the funeral arrangements you select. This fee is already included in our charge for direct cremations, immediate burials and forwarding or receiving remains.

EMBALMING **\$1,250**

Except in certain cases, embalming is not required by law. Embalming may be necessary however if you select certain funeral arrangements, such as a funeral with a viewing. If you do not want embalming, you usually have the right to choose an arrangement that does not require you to pay for it, such as a direct cremation or immediate burial. Instances where embalming is required may be such as where the remains are to be transferred out of state or out of the country. Skylawn Funeral Home requires embalming if a family chooses to hold an open casket visitation and/or open casket service.

Our History

Skylawn is perched atop the Montara mountain range on the San Francisco Peninsula between the San Francisco Bay and the Pacific Ocean. The park's 505 acres are surrounded by a nature preserve, and home to an abundance of wildlife including: deer, bobcat, racoon, skunk, fox, cougar, and many others. The unique location within the nature preserve ensures Skylawn's vast beauty will remain unspoiled for generations.

Designed by noted San Francisco landscape architects French and Jones, Skylawn Memorial Park opened October 1, 1959. Inside the park are architecturally significant structures, beautifully landscaped gardens, unobstructed views of the Bay and the Pacific, and a wealth of history. Architect Aaron Green designed the prominent Mausoleum in the Sky. Green was the West Coast representative of renowned architect Frank Lloyd Wright. Green also designed the entrance to Gan Hazikaron, a Jewish garden within Skylawn. There are also two remarkable Chinese gardens developed to the exact specifications of international Feng Shui masters. The triple gate at the top of Bai Ling Yuan II Plaza offers the perfect orientation, gazing down the canyon to the Pacific Ocean, the gates protected by two mythical lions believed to guard against bad influences and evil spirits.

In 2008, Skylawn opened a state of the art funeral home. The building is expansive and welcoming with bright, spacious visitation rooms, two large elegant chapels and comfortable arrangement rooms. The funeral home also features an exceptional reception area. The Vista room has an outdoor patio and floor-to-ceiling windows opening to a picturesque waterfall and rock garden — a beautiful setting in which to celebrate the life of a loved one.

Skylawn added a 26-acre development called Skyview in 2016, complete with open views of the surrounding nature preserve and the Pacific Ocean. Several gardens make up Skyview, with a wide variety of interment options. The Lotus Garden within Skyview is aptly named for the quarter mile of cascading streams and waterfalls that form the petals of a Lotus flower. This garden contains premium estates, and a mix of ground burial and custom cremation options throughout. Garden of the Saints is also situated within Skyview offering double depth lawn crypts, and hosting a beautiful columbarium adorned with a statue of Our Lady Guadalupe.

Skylawn Funeral Home & Memorial Park is a premier full-service facility for the Bay Area and beyond, offering the one-stop convenience of a funeral home, cemetery and on-site crematory. Having provided exceptional service for over 60 years, we're proud of the reputation we've built on quality, sincerity, and trust; with services that celebrate the life of each individual and respect the wishes of every family. Skylawn is truly a "place like no other".
