

SACRED SPACE
FUNERAL HOME
AND CREMATION SERVICES

FD2237

GENERAL PRICE LIST

Effective October 12, 2023 and subject to change without notice.

Prior to the drafting of any contract for goods or services, the responsible party, or the decedent's survivor who is handling the funeral arrangements, is entitled to receive a copy of any pre-need agreement in possession of the funeral home establishment that has been signed and paid for, in full or in part, by or on behalf of the decedent.

Basic Services**\$1,795**

This is the basic charge to each family we serve for our professional expertise in assisting them. This fee for our basic services and overhead will be added to the total cost of the funeral arrangements you select. (The fee is already included in our charges for Service Selection Packages, Direct Cremation, Scheduled Memorial Service Cremation, Traditional Funeral Service, Immediate Burial, and Forwarding or Receiving remains.) This also includes an arrangement conference, preparation of the death certificate and health department permit, coordination with cemetery, air carriers, notification of Veterans Administration and Social Security and all other outside services.

Embalming**\$700**

Embalming provides for the temporary preservation of the deceased. Embalming is performed by a California licensed embalmer and usually enhances the appearance of the deceased. Except in certain special cases, embalming is not required by law. Embalming may be necessary, however, if you select certain funeral arrangements, such as a funeral with viewing when viewing facilities require it. If you do not want embalming, you usually have the right to choose an arrangement that does not require you to pay for it, such as a direct cremation or immediate burial.
