## **PAYMENT POLICY**

Our funeral home is a small business and like many others in our community, out of necessity, we operate on a cash basis, relying upon the families we serve for prompt payment. We do not have sufficient financial resources to extend credit over a period of months or years, nor does law allow us to fulfill the functions of a bank or other lending institution. Therefore, payment is expected 24 Hours prior to the rendering of Service. If payment in full is not completed at time designated, services will be postponed and rescheduled once complete payment has been made.

We encourage your frank discussion of these matters with your funeral director, and we will attempt to assist you in any way possible.

## **FLORAL PAYMENT POLICY**

We include floral credit to some of our funeral packages in order to provide more care to our families we serve. Foothill Funeral has partnered with Andrea Batista at Pushing Up Daisies because of the extensive funeral experience she holds and the understanding of details, love and care a floral piece should have for one's last milestone. All floral sales will be invoiced separately and payments must be made to our florist in order to secure floral orders for the day of service.

Pushing Up Daisies accepts the following forms of payment, Venmo, Zelle, credit card and checks written to Andrea Batista.

## **PAYMENT OPTIONS**

- Payment with cash or check.
- Payment with an approved Credit Card.
- Pre-paid funeral arrangements with Foothill Funeral & Cremation, subject to verification the policy is valid.
- Assignment of Insurance Proceeds (Financed by American Funeral Financial). Assignment of non-contestable insurance policies can be financed through certain institutions as long as a known cause of death is listed on the Death Certificate. The Financing Company usually charges a fee of up to 5% of amount assigned. As an accommodation to the family, the Financing Company will make the funeral/cemetery expense payment directly to the mortuary usually within 7 to 10 working days after all information is verified and received.

\* Due to the complexity and time involved, we are unable to accept payment from estates.
