OUR PAYMENT POLICY

To lose someone you love can be a devastating experience. It is frequently traumatic and can seriously impact judgment. We believe in the importance of the recognition and meaningful celebration of a life that has been lived and will assist in arranging an appropriate service to meet your individual needs. It is also important to be realistic in respect to funeral expenditures. We do not want a family to spend more than they should, nor less than they would like. What is important is that the arrangements be in keeping with the family's wishes and budget.

Provisions for payment are due at the time of the arrangement conference. To avoid any possibility of misunderstanding or embarrassment and for your convenience, we accept the following methods of payment: cash, check, credit or debit card, insurance assignments of verifiable life insurance policies, payment by forwarding or receiving funeral homes or pre-paid funeral plan. Please consult your funeral director or advisor with any and all questions or concerns.

PREPLANNING ASSISTANCE

We provide free assistance and consultations with end-of-life planning. When you choose to preplan, you lock in today's prices and relieve your loved ones from the financial and emotional burden of making difficult decisions and paying for services at the time of need.

Our staff is committed to your complete satisfaction. We pride ourselves on the quality of our service and our dedication to the community. We will answer your questions in a clear and understandable manner, and ensure the arrangements you make meet your individual wishes. We will explain the value and benefit of all available options, and take the time to explain prices and payment methods to your satisfaction.

Thank you for placing your trust and confidence in our staff.
