Payment Policy

Our funeral home is a small business and like many others in our community, out of necessity, we operate on a cash basis, relying upon the families we serve for prompt payment. We do not have sufficient financial resources to extend credit over a period of months or years, nor does law allow us to fulfill the functions of a bank or other lending institution. Therefore payment is expected at time of arrangements and due prior to services rendered.

We encourage your frank discussion of these matters with your funeral director, and we will attempt to assist you in any way possible.

Payment Options

- Payment with cash or check.
- > Payment with an approved Visa or MasterCard.
- Pre-paid funeral arrangements with Trader Funeral Home, subject to verification the policy is valid.
- > Assignment of proceeds of a verified Life Insurance Policy.
 - Our acceptance of this mode of payment is dependent on the cooperation of the beneficiary and the insurance company. The insurance policy must be given to the funeral director for verification. We must have the Insurance Company's complete cooperation in providing information to the beneficiary, amount of the death benefit available, outstanding loans information, cooperation to get claim forms in a timely manner, and their acceptance of our written assignment. The insurance company will send the balance of any insurance proceeds directly to the beneficiary after the insurance company pays the funeral bill in full from the proceeds of the insurance policy. The purchaser must obtain a certified death certificate for each insurance policy. There is a fee of 5% for this service.
- * Due to the complexity and time involved, we are unable to accept payment from estates.
