OUTER BURIAL CONTAINER PRICE LIST
These prices are effective March 7, 2024
(They are subject to change without notice)

Concrete Grave Box \$995.00

[In most areas of the country]*, [S]tate or local law does not require that you buy a container to surround the casket in the grave. However, many cemeteries require that you have such a container so that the grave will not sink in. Either a grave liner or a burial vault will satisfy these requirements.

(This grave box meets the minimum requirement for Double Butte Cemetery located in Tempe, and the City of Mesa Cemetery located in Mesa).

(Other renderings available upon request).
