Basic Professional Services of the Funeral Director and Staff

\$2,190

This is the charge to each family for our basic services and overhead. It includes the service of our personnel, the arrangement conference, a proportionate share of our overhead, clerical and administrative services, obtaining necessary authorizations and permits, consultation with the clergy, cemetery, crematory or other third parties, assistance with insurance, planning the funeral or memorial service, and placement of obituary notices. In addition, this fee includes a proportionate share of our basic overhead costs. This fee for our basic **services and overhead** will be added to the total cost of the funeral arrangements you select. (This fee is already included in our charges for direct cremations, immediate burials, and forwarding or receiving the remains.)

Embalming

Embalming is a chemical process which provides temporary preservation of the body and eliminates certain health hazards. A person licensed by this state must complete this procedure.
