What families are saying about Janowicz Family Funeral Home

"We experienced a sudden family passing and Janowicz stepped in immediately to help us navigate the logistics and procedures necessary all while maintaining a high degree of professionalism and compassion. They were amazing and went above and beyond in their support and service God bless you we are so very grateful"

"The loss of a loved one is traumatic no matter how the death occurs. Both Shari and Melissa helped me to deal with very difficult decisions in a kind and gentle manner. They allowed me to do what was best for us, for this situation. No questioning, no doubting, or pushing me to do more to celebrate the life of my brother. I was comforted by them every step of the way and I appreciate every little thing they have done."

"The death experience is not a pleasant experience in and of itself to go through. It helps greatly to have the willing compassion, knowledge, and guidance of a caring, empathic team of professionals on your side. I have known and worked with Melissa Janowicz closely for well over 10 years now and can attest to that truth personally. I have watched and observed her team in action dealing with real people, in a real world, suffering with the heart wrenching reality of a loved ones passing. Melissa and her team are real people who know the healing balm of human understanding and compassion. I can absolutely with a full heart recommend highly the services that Melissa Janowicz offers through her family funeral homes! Pastor Randy Piatt"

"Even with so many arrangements pre planned there were still lots of details that need to be decided. People from Mohnke Janowicz Funeral Home provided patient guidance and help in settling those details. My family is very thankful to have had the experienced advice to navigate a difficult time."
