## Price List Selections

We offer funeral packages that have been designed with various price points that include both merchandise and services grouped together. Funeral Packages declare most of the associated cost of a funeral, however additional items such as sales tax, newspaper notices, etc. may increase the listed price. Substitutions are welcomed within each package as long as the substitution maintains the original value of the package. Funeral packages provide a savings of **\$600** in comparison to the same services and merchandise offered from our itemized price list.

Funeral packages may not include all items that you desire or that are necessary. We do not include items such as, hairdresser, additional mileage fees outside our local area, motor escorts, clergy/church fees, musician fees, sales tax and services held on a weekend or holiday. Please refer to our itemized or merchandise price list for any additional items that you wish to add to a package selection.

## OUTER BURIAL CONTAINERS

In most areas of the country, state and local law does not require that you buy a container to surround the casket in the grave. However, many cemeteries require that you have such a container so that the grave will not sink in. Either a grave liner or a burial vault will satisfy these requirements.
