## Information Regarding Terms and Conditions when entering into a Contract

**Payment terms:** Payment is required to be made by the date of the service, if not paid in full by such date a DEFAULT CHARGE OF TWO (2%) PER MONTH (ANNUAL PERCENTAGE RATE OF TWENTY-FOUR (24%) PERCENT) will be charged on any portion of the unpaid balance due. It is agreed that any additional items ordered in conjunction with those items listed will be paid at the time ordered. If suit is brought for the collection of said amount, or any portion thereof, you agree to pay a reasonable attorney's fee to be affixed by the Court and included in the judgment in such suit.

**Cancellation Rights:** The purchaser, or someone designated by the purchaser, may cancel an agreement by providing notice of the cancellation in writing to the Provider. A partial or full refund of money paid, if any, may be available based on the terms of the agreement and the law. Any refund owed will be issued within 30 days.

If the agreement meets all of the requirements of the Act and is cancelled within 30 days of the agreement date and before any services or supplies have been provided, the Provider will refund all amounts paid under this agreement in accordance with the Act.

If the agreement meets all of the requirements of the Act and is cancelled after 30 days of this agreement date and before any services or supplies have been provided, the Provider will refund the amount paid under the agreement plus any income earned on the amount paid or that should have been earned on the amount paid if it had been deposited as required, but the Provider may retain an additional 10% of the amount paid to a maximum of \$350.

If the agreement meets all of the requirements of the Act and is cancelled after some of the services or supplies have been provided as directed under the terms of this agreement, the maximum refund required will be the amount paid under the agreement plus any income earned on the amount paid or that should have been earned on the amount paid if it had been deposited as required, and in some circumstances permitted by the Act the Provider may retain the value of the services and supplies that have been delivered.

If the agreement fails to meet the requirements of ss.40(1) of the Act, the maximum refund required will be the amount paid under the agreement plus income earned on the amount paid or that should have been earned on the amount paid if it had been deposited as required. In some circumstances permitted by the Act, the Provider may retain the value of the services or supplies that have been delivered.

**Possession of Cremated Remains and Refundable Deposit:** When cremation is selected the Provider may require the purchaser to pay a refundable deposit of \$350. The Provider will retain the cremated remains for one year from the date of cremation. If the cremated remains are not claimed within one year, the Provider may inter the cremated remains in a cemetery, including in a common lot for which the cemetery is the interment rights holder, and the Provider may retain the deposit referred to in this section. If the cremated remains are claimed before they are interred, the operator will refund any deposit paid.

**Warranties:** No claims are made to you as to the merchandise or other offerings of the Provider (embalming, casket, outer burial container) to the effect that embalming or the use of any merchandise available from this funeral home will delay the decomposition of the human remains for a long term or indefinite time, or that any such merchandise will protect the body from gravesite substances if such was not the case. No representations or warranties are made to you about the protective features of caskets or outer burial containers other than those made by the manufacturer.

### Prepayment Options

For your convenience, we offer two funding options when prepaying services or supplies. When prepaying, you pay for the services and supplies today and the money will be used to pay for the services and supplies when they are delivered at the time of death.

**Trust:** You may pay the money directly to us and we will place it in trust, where it will accrue interest until the contract is fulfilled (when the services and supplies are delivered) or the contract is cancelled.

**Investment of Funds:** Within 35 days, the payment(s) to the Provider, less the permitted amount defined below, will be placed and held in a pooled trust fund or an individual trust account for the purchaser until the services and supplies are provided or this agreement is cancelled and a refund is issued in accordance with the terms of this agreement. If the money is invested in a pooled trust fund, the money will be invested and held by a third party trustee. If the money is invested in an individual trust account, the money will be held in a guaranteed investment certificate.

**Permitted Amount:** On or after the 31st day after the day on which an agreement was made, the Provider may retain 10% of the agreement price (or amount paid, whichever is lower) up to a total maximum of \$350. This amount need not be invested in trust and if retained, is a credit against any amount the operator may retain if the agreement is cancelled.

**Value of Trust Once per Year:** Once in a year, if the purchaser requests, the Provider will provide information about the amount in trust and how it is invested. If the money is in an individual trust account, the purchaser will receive a statement that sets out: the current value of the account(s) as of the end of the month before the request, the name of the depository, and the name or type of investment in which the payment(s) have been placed. If the money is held in a pooled trust fund with a third party trustee, the purchaser will receive a statement that sets out the name of the trustee and the current value of the purchaser's money as of the end of the month before the request.

**Insurance:** You may purchase an insurance contract where the proceeds of the insurance contract will be used to pay for the services or supplies at the time they are delivered or the contract is cancelled.

**Details of Insurance Contract:** The Purchaser agrees to purchase an annuity or life insurance policy ("Policy") through the Insurance Company selected by Service Corporation International (Canada) ULC and assign said Policy to the Provider.

**Provision of Goods and Services:** The services and merchandise selected in prepaid agreement will be sold at the time of death pursuant to a funeral service order/purchase agreement between the Provider and the representative(s) of the Recipient at that time. The Funeral Home guarantees that the amount to be charged for providing the Goods and Services selected and the Third Party Items of the Funeral Goods and Services Agreement will not exceed the death benefit under the Insurance Policy at the time of death of the Recipient, if the Provider's then current retail price of the funeral goods and services selected is less than the amount payable under the Annuity or Insurance Policy, the Provider will refund the difference to the Annuity or Insurance Policy Beneficiary. The amount applicable to taxes is determined on the basis of the applicable tax laws in effect at the date this Agreement is signed. In the event the taxes due at the date of death are greater than those specified in this Agreement, the Provider will charge the difference at that time.

**Cancellation:** The purchaser, or someone designated in this agreement by the purchaser, may cancel the agreement by providing notice of the cancellation in writing to the Provider. Before the death of the Recipient, but after the death of the Purchaser, the Recipient or his/her personal representative may cancel the Agreement. After the death of the Recipient, the Recipient's personal representative may cancel the Agreement at any time before the goods and services have been provided. In the event of the cancellation of the Agreement prior to the death of the Recipient, they may request cancellation or surrender of the Policy according to the policy terms. If the Agreement is cancelled after the death of the Purchaser, but prior to the Recipient's death, the benefit will be

paid in accordance with the terms of the Policy.

If the funeral goods and services are not provided by the Provider or any provider affiliated with or owned by SCI (Canada) ULC, the Agreement is cancelled and a payment will be made in accordance with the Policy.

If the agreement meets all of the requirements of the Act and is cancelled after some of the services or supplies have been provided as directed under the terms of the agreement, the maximum refund required will be the amount to be paid out under the terms of the insurance contract, and in some circumstances permitted by the Act the Provider may retain the value of the services and supplies that have been delivered.

If this agreement fails to meet the requirements of ss.40(1) of the Act, the maximum refund required will be the amount paid under this agreement plus income earned on the amount paid or that should have been earned on the amount paid if it had been deposited as required. In some circumstances permitted by the Act, the Provider may retain the value of the services or supplies that have been delivered.

Additional information about funding, payment and finance options is available upon request.
