Our Mission Statement

Our mission is to be there when someone is in need; to be there no matter the time or conditions; to be there with words of comfort and concern; to be there to give guidance through the storm; to be there for the final tribute that honors a life ... there is no higher privilege.

Our goal is to run a profitable premiere family owned and operated funeral home by servicing families locally, nationally and internationally. We offer specialized traditional and non-traditional arrangements providing comfort and emotional support during your family's period of bereavement.

The goods and services shown below are those we can provide to our customers. You may choose only the items you desire. **However, any funeral arrangements you select will include a charge for our basic services and overhead.** If legal, or other requirements mean you must buy any items you did not specifically ask for, we will explain the reason in writing on the statement we provide describing the funeral goods and services you selected.

Our services include: conducting the arrangements conference; planning the funeral; consulting with family and clergy; shelter of remains; preparing and filing of necessary notices; obtaining necessary authorizations and permits; coordinating with the cemetery, crematory, or other third parties. In addition, this fee includes a proportionate share of our basic overhead costs. (*Arrangement Consultation with a Licensed Funeral Director-\$3,250.00*)

This fee for our basic services and overhead will be added to the total cost of the funeral arrangements you select. (This fee is already included in our charges for direct cremations, immediate burials, and forwarding or receiving remains.)

Except in certain special cases, embalming is not required by law. Embalming may be necessary; however, if you select certain funeral arrangements, such as a funeral with viewing. If you do not want embalming, you usually have the right to choose an arrangement that does not require you to pay for it, such as direct cremation or immediate burial. **(Children (0-2 years old) - \$475.00, (Ages 3-17) - \$975.00)**
