Important Information

Prior to drafting any contract for goods and services, the responsible party or the decedent's survivor who is handling the funeral arrangements is entitled to receive a copy of any preneed agreement in the possession of the funeral establishment that has been signed and paid for, in full or in part, by or on behalf of the decedent.

In order to assist with your arrangements and in compliance with Federal Trade Commission requirements, we have made this *General Price List and Packaged Services* available for your review. The goods and services described are those we can provide our families. You may choose any number of items that you desire. However, any funeral arrangements you select will include a charge for our basic services and overhead. If legal or other requirements mandate that you purchase any items you did not specifically request, we will explain in writing the reason that it was necessary to purchase these items and services.

All persons making funeral arrangements are entitled to a copy of the "Consumer Guide to Funeral and Cemetery Purchases" from the California State Department of Consumer Affairs prior to drafting a contract for funeral services. We will provide one for you in compliance with this regulation. This publication is also available on the internet at www.dca.ca.gov/cemetery.
