## **Adult General Price List**

*These prices are effective as of Friday, November 1, 2019 and are subject to change without notice.*

The goods and services shown are those we can provide to our customers. You may choose only the items you desire. However, any funeral arrangements you select will include a charge for our basic services and overhead. If legal or other requirements mean you must buy any items you did not specifically ask for, we will explain the reason in writing on the statement we provide describing the goods and services you selected.

This list does not include prices for certain items such as: cemetery or crematory services, flowers, and newspaper notices. The prices for those items will be shown on your invoice or statement describing the funeral goods and service you have selected.

## **Financial Policy**

Payment in full is required 72 hours (3 days) prior to furnishing of any merchandise, ceremonies or disposition. We accept cash, cashier's check, VISA, MasterCard, American Express and incontestable/assignable life insurance policies. There will be a 7% processing fee on all life insurance policies added to the Cash Advance Section of your Statement of Funeral Goods and Services selected. Any additional cash advance items selected after the Statement of Funeral Goods and Services have been prepared and signed, will be billed to the contracting party, and payment is expected within 30 days. Any outstanding invoices will incur an 18% charge each month it goes unpaid.

California Sales Tax (9.5%) will be added to the cost of merchandise purchased.

All information given to the caretaker at the time funeral arrangements are made must be correct vital information prior to filing with the State of California. It is the contracting party's responsibility to provide the counselor with the correct information. If the information given is incorrect after the filing process has taken place, the death certificate must be amended. This can take several weeks, and you will be responsible for all additional charges incurred to amend and order corrected copies of the death certificate.

## **Escorts**

California State Law dictates that funeral processions on California streets/freeways/highways are required to have escorts. We at House of Winston have a two-escort minimum. Escorts are ordered and featured on your contract, however additional escorts may be required due to the number of cars traveling to the cemetery. Therefore, you may receive a statement in the mail for the cost of additional escorts after the funeral service. It will be your responsibility to pay the escort balance in a timely manner.
