Smart Cremation meets the emerging need for a caring, compassionate, and affordable direct cremation provider in the Mid-South Community. The families that select us do not pay the costs associated with maintaining a traditional funeral home. If cremation service is what you are looking for, you will not find a better solution than *Smart Cremation*.

Smart Cremation is cost-effective and offers a wide range of possibilities such as keeping your loved one in an urn or keepsake, as well as other specialized options. It also affords the ability to scatter, bury or save for future burial.

Simplicity and cost are why more and more families select *Smart Cremation*. We are committed to providing a high level of care and respect to every person brought into our care and their family.

The staff of *Smart Cremation* is committed to your complete satisfaction. We will answer your questions in a clear and understandable manner. We will ensure that the arrangements you make meet with your individual wishes. We will explain the value and benefit of all available options. We will explain prices and payment methods to your satisfaction.

Our *Smart Cremation* associates provide their many years of experience to explain the cremation options, answer all your questions, and help you make the decision that is right for you and your family.

When there is a death, we will bring your loved one into our care in a prompt and professional manner.

We prepare all paperwork pertaining to your loved one's death meeting all state, local, and legal requirements, including the cremation permit and notifying the Social Security Administration.

The goods and services shown are those we can provide to our customers. You may select only the items that you desire. However, any arrangements that you select will include a charge for our basic services and overhead. If legal or other requirements mean you must buy any items you did not specifically ask for, we will explain the reason in writing on the statement we provide describing the goods and services you selected.

Direct Cremation.....\$790 - \$1,835

If you want to arrange a direct cremation, you can use an alternative container. Alternative containers encase the body and can be made of materials like fiberboard or composition materials (with or without an outside covering). The containers we provide are alternative containers. Smart Cremation direct cremation includes professional services of a licensed funeral director and staff, basic services fee, removal of the deceased, refrigeration, and crematory fee.

- Direct cremation with container provided by purchaser (all containers must meet any applicable state or crematory requirements). \$790
- Direct cremation with Grey Doeskin, half-couch heavy cardboard with ivory crepe interior. \$1,735
- Direct cremation with Trayview Alternative container, heavy cardboard. \$1,055
- Direct cremation with minimum unfinished, cardboard alternative container. \$995
