### DISCLAIMERS/DISCLOSURES

Please Read Carefully

- 1) The goods and services shown on our General Price List are those we can provide to our customers. You may choose only the items you desire. However, any funeral arrangements you select will include charges for basic services and overhead, if legal or other requirements mean you must buy items you did not specifically ask for, we will explain the reason in writing on the statement we provide describing the funeral goods and services you selected. You may still elect to purchase specific goods and services on an itemized basis; if you are wanting the funeral home to purchase through any outside or third-party company services on your behalf that does not consist of services already provided here at our funeral home, we reserve the right to charge you an added fee to the item(s) specified in conjunction to the following goods and services selected.
- 2) Our funeral home makes no representation or warranties regarding the caskets, outer burial containers, infants, and or urns on our general price list. The only warranties expressed or implied, granted in connection with the caskets, outer burial containers, infants, and urns are the expressed written warranties, if any, extended by the manufactures thereof. No other warranties, including the implied warranties of merchantability and fitness for a particular purpose are extended. The current Oklahoma City Sales Tax is figured after on merchandise selection at 8.625%
- 3) WEEK DAY AND SATURDAY FEES VARY: Please be mindful we do not charge extra for weekdays or weekends, however time is of an essence and various local or perpetual care cemeteries have strict scheduling policies for interment and reserve the right to charge extra late fees, if arrived at the entrance gate after the time agreed upon specifically. We ask that you please govern yourself accordingly to the following itinerary arrangements. State or local law doesn't require that your purchase a container to surround the casket in the grave. However, MOST of your local perpetual care cemeteries require that you have such a container so the grave will not sink. Either a burial vault or a concrete container will satisfy these requirements. Cost for grave services and a tent with chairs are often included in the perpetual care cemetery's opening and closing fee. However, if the family chooses to want to secure payment with the cemetery chosen or designated, the funeral home will advance monies to the appropriate cemetery. We charge this convenience 2% to the responsible party.
